**PETITION FOR EXTENSION**

Now comes Illinois Central Railroad Company ("IC") and petitions the Illinois Commerce Commission (the "Commission") for an order giving IC an extension to comply with the mandates of the Commission in this docket. In support of its Petition, IC states as follows:

1. IC has until January 20, 2006 to complete the signal work set forth in a stipulated agreement in this Docket.
2. IC had originally planned to combine this crossing signal work with another IC project to relocate a control point, and was preparing to do such work.
3. Due to budgetary constraints, IC has decided not to relocate the subject control point. IC will simply do the crossing work as ordered.
4. Therefore, IC is seeking an extension in this Docket in order to arrange for completion of the work as ordered.

WHEREFORE, IC, respectfully requests that the Commission:

- a) Extend until July 20, 2006, the time to complete the signal work mandated in this Docket; and

**DOCKETED**

b) Provide such other and further relief as the Commission deems just and appropriate.
